

Dimanche 15 juin: DISTRICT SIX MUSEUM and the CAPE WINELANDS

(District Six Museum and Spice Route and Haute Cabriere)

Your guide will pick you up at The Kloof Street Hotel and transport you to the District Six Museum. An internationally engaged museum of innovation working with the memories of District Six and other communities affected by forced removals. After a self guided tour of the museum, head on over to our next stop; the winelands.

The picturesque winelands are renowned for their exquisite wines and stunning scenery. Guests will have the opportunity to visit award-winning

wineries; Spice Route and Spier Wine Farm. Our first wine stop will be at Spice Route where guests will indulge in a wine and cured meat tasting. Thereafter we will enjoy lunch at Spice Route. The next stop is Spier Wine Farm, where guests will immerse themselves in the flavors of the region. Here guests will be tasting the Spier Premium Range. After a memorable day in the winelands, it is time to say goodbye and make our way back home to the Kloof Street hotel.
