

Samedi 14 Juin: CAPE POINT PENINSULA TOUR

(Chapmans Peak, Boulders, Beach Penguins, Simonstown, Cape Point, Cape of Good Hope and Muizenberg)

Heading out South towards the Peninsula, our first stop is the iconic Chapman's Peak. A scenic drive along the mountain & ocean making a stop for some breathtaking photos. We then continue along the coastal road facing towards Boulders Beach Penguin Sanctuary, the home of the adorable African Penguins and highlight of the trip (1h stop).

The next stop is Simons Town, where you will unwind and enjoy a local lunch! Once our tummies have been filled we hop back onto the road off to Cape Point National Park.

Here guests will have the opportunity to see some of our diverse indigenous plant life and hopefully some of the local wildlife. Inside the Cape Point national park we take you on a beautiful walk up to the historical Cape Point Lighthouse overlooking the majestic atlantic ocean, (45 min-1h walk) thereafter you can decided to either do another scenic hike from Cape Point to the Cape of Good Hope along the mesmerizing Diaz beach (weather dependant & 1h Hike) or alternatively take a short

drive down to the Cape of Good Hope - the most South Western Tip of Africa for some photos at the famous sign. Our last stop is the famous Muizenberg Beach, popular for its vibrant surfing culture & colorful wooden beach huts for postcard type photos (+-20 min stop).

(Please note: the order of activities may be adjusted to accommodate bigger groups and or vehicle size etc.

Items will not be removed from the itinerary but rather just shifted around.)
